The Collier Park Golf Club inc has acted under **Local Rule E-3** of the R & A Rules of Golf that the following Local Rule will be adopted for the competition or the course for all the members and players of CPGC inc.

When a Player's ball lies in a divot on the designated fairway or in an unraked footprint in a fairway bunker, the player may take free relief by placing the original ball.

In proceeding under the Local Rule, the Player must choose a spot to place the ball and use the procedures for **Replacing** a ball under **Rules 14.2b(2) and 14.2e**

The Collier Park Golf Club inc has acted under **Local Rule E-5** of the R & A Rules of Golf that the following Local Rule will be adopted for the competition or the course for all the members and players of CPGC inc.

“When a player's ball has not been found or is *known or virtually certain* to be *out of bounds*, the player may proceed as follows rather than proceeding under *stroke and distance*.

For **two penalty strokes**, the player may take relief by *dropping* the original ball or another ball in this *relief area* (see Rule 14.3):

Two Estimated Reference Points:

a. **Ball Reference Point:** The point where the original ball is estimated to have:

- Come to rest on the *course*, or
- Last crossed the edge of the *course* boundary to go *out of bounds*.

b. **Fairway Reference Point:** The point of fairway of the hole being played that is nearest to the ball reference point, but is not nearer the *hole* than the ball reference point.

For purposes of this Local Rule, “fairway” means any area of grass in the *general area* that is cut to fairway height or less.

If a ball is estimated to be *lost* on the *course* or last crossed the edge of the *course* boundary short of the fairway, the fairway reference point may be a grass path or a teeing ground for the hole being played cut to fairway height or less.

Size of Relief Area Based on Reference Points: Anywhere between:

- A line from the *hole* through the ball reference point (and within two *club-lengths* to the outside of that line), and
- A line from the *hole* through the fairway reference point (and within two *club-lengths* to the fairway side of that line).

But with these limits:

Limits on Location of Relief Area:

- Must be in the *general area*, and
- Must not be nearer the *hole* than the ball reference point.

Once the player puts a ball *in play* under this Local Rule:

- The original ball that was *lost* or *out of bounds* is no longer *in play* and must not be played.
- This is true even if the ball is found on the *course* before the end of the three-minute search time (see Rule 6.3b).

But the player may not use this option to take relief for the original ball when:

- That ball is *known or virtually certain* to have come to rest in a *penalty area*, or
- The player has played another ball provisionally under penalty of *stroke and distance* (see Rule 18.3).

A player may use this option to take relief for a provisional ball that has not been found or is known or virtually certain to be out of bounds.

Penalty for Playing Ball from a Wrong Place in Breach of Local Rule: *General Penalty Under Rule 14.7a.*”
